

SUMMER 2024

IMPACT REPORT

22 PARTICIPANTS SERVED

After completing the **JA Women in Business Workshop**, 94% of the participants agreed the things they learned in this workshop will help them be successful in life.

100% of the participants agreed the things they learned in this program will help them get a good job.

PARTICIPANT FEEDBACK

“I am leaving with a sense of clarity I have never had about my future and what I can do to get to where I hope to be after high school and even college.”

“My favorite part was listening to all of the women in the business panel. Their advice was helpful and interesting. I really loved it.”

“I felt like today helped make me feel more confident in myself and my abilities to be successful. I also feel that I could be a leader and take control of a situation with confidence.”

“Today helped me boost my confidence in my future and myself.”
