

Junior Achievement™

JA Inspire
Virtual

Open students' eyes to a future full of career possibilities through JA Inspire Virtual : January - June 2023!

We invite you to include your students in JA Inspire Virtual, Junior Achievement of Central Iowa's in-depth career exploration program for students. The program is a real-world way to envision future career opportunities through curriculum that can be used in school or self-guided online, and a virtual career fair that opens students' eyes to the importance of career planning, and how to research new and exciting careers.

Junior Achievement has partnered with our region's employers, ready to inform students about careers and jobs at their companies during the virtual event. The career fair takes place in a visually rich virtual environment that mimics the dynamics of a live event, including a virtual lobby, information booth, auditorium for presentations, and halls with booths and sponsors. Within the virtual experience, students attend webinars and presentations, explore career booths, and interact with career speakers and industry experts.

Highlights

- Communication with Career mentors using a safe, monitored Q&A format
- Live auditorium presentations allow students to submit questions for industry experts to answer
- Scavenger hunt familiarizes students with the virtual environment in a fun way
- Virtual backpack allows materials to be saved and emailed to students or parents
- Fully online, self-guided learning experience that allows students to explore their own
- values, skills, interests, career clusters, and specific jobs.
- Offers optional wraparound classroom introductions and talking points for each session.
- Online software is compatible with multiple devices: computers, tablets, mobile phones
- Extended student access - 24/7 access for 6 months

JA Inspire helps teachers engage with students on a deeper level by:

- Aiding teachers in their career-readiness efforts.
- Supporting academic standards in work readiness, with a secondary focus on social studies, business, reading, and writing.
- Equipping educators with classroom sessions before the virtual career fair so students get the most out of the experience.

Important Dates:

- Now - April 30th, 2023: School registration
- Anytime 2nd semester: In-class program takes place
- January 1st - June 15th: Virtual Career Fair open
